EHLERS' BLOCK.

MEN WHO ASSIST PARSON SHERIFF IN ENFORCING PROHIBITION LAW

Deputy Arthur B. Leach has just

Portland's parson-sheriff doesn't odor of grog a block away, and counts staim all the credit for what has been as pastime an hour spent in outwitas can be as gardine an cour spent in ontwite as carried as a saloan ean cour spent in ontwite as carried as carried as a saloan keeper or following us a pocket peddler.

O. S. San Fr Schr.

Schr. Sept. Son Fr Schr.

I enforcement, but without the aid iff make Portland absolutely dry. He af a fearness corps of liquor seizers is a natural fighter, and would rather p

and the sympathy of persistent prose-gating attorneys, the Rev. Samuel F Pearson's war on the rumsellers could home is in Biddeford, but he has been Aurely have been successful.

Both of these important adjuncts the since he was added to the force, last

since he was added to the force last short of these important adjuncts the sheriff has been able to bank on ever size the day he held up his right. Deputy Joseph C. Sterling has seen and wife, Miss Fishburn, T. E. P. Gardener, Mrs. I. Kennedy. Arthur Kidman, Dr. C. W. Laver, Dr. T. Hope sheriff the duties of his office. The sheriff in nomination.

As to the efficiency of the five men who comprise the force of specials against the mere very hour of the day, gives them orders and information resisted and took oath to faithfully discount and sold in the United States Court and were not pledged to a vigarous enforcement of the State is liquor traffic to the wail, as they could possibly have done were they the special counsel of the party which placed the sheriff in nomination.

As to the efficiency of the five men who comprise the force of specials for itself. The sheriff keeps in touch with them every hour of the day, gives them orders and information resisting and sold and took oath to faithfully discounted and the formation and took of the day.

As to the efficiency of the five men who comprise the force of specials for itself. The sheriff keeps in touch with them every hour of the day, gives them orders and information resisting and from the force of specials. The sheriff keeps in touch with them every hour of the day, gives them orders and information resisting the force of specials for itself. The sheriff keeps in touch with them every hour of the day, gives them orders and information resistence. The drift has been the force of specials and one of the force of specials for itself. The sheriff keeps in touch with them every hour of the day.

Both The force of specials and one of the force of specials for itself. The sheriff keeps in touch wi

gives them orders and information reacting to complaints, and makes free had his first year's experience as a quent drives, with his stylish turnout, criminal officer. He is the scholar of that he takes a physical part in a was instructor in manual training in the Saco schools. From choice he has Harrison.

It isn't necessary that he should participated in a majority of the seizscale high fences, crawl through dingy cellars, climb into back windows, raid dities at the desk occupy a great deal kitchen harrooms or stand guard at allow doors. The county pays the salaries of five men who are hired to pay that kind of work, and his Skillings. He came directly from the Skillings. He came directly from the duty is to see to it that they earn their pulpit to the rum room, and with the salaries.

Silva.

Being himself a tireless worker, the learned his lesson in the enforcement faculty of keeping his subordinates of the law. He is the most radical busy comes natural to him. The re-kind of a tectotaller, hates whiskey as gort submitted to him by the elerical had does poison, and doesn't counter that the deputies have all averaged afteen hours' work a day, and on some days have devoted eighteen or twenty hours to hunting runsellers.

F. S. Prescott a does poison, and doesn't counter had so have does poison, and doesn't counter had so had been an accounted by the clerical had so had been an accounted by the clerical had so had been an accounted by the clerical had so had been an accounted by the clerical had so had had been accounted by the clerical had so had had been accounted by the clerical had so had had been accounted by the clerical had so had had been accounted by the clerical had so had had been accounted by the clerical had so had been accounted by the clerical had been account

deputies have been making a search way up Cener street, with a beer Cracknell, A. E. Engler, J. Michaels, campaign I spoke from the same platfor "bides," leaving the horse and sprinkler in each hand and kicking wife and child, Mrs. M. S. M'CANTS STEWART. Feb. 12, 1902.

STOPPED A RUNAWAY

George Richardson, the officer wh had the beat at the corner of Beretanta and Nunanu streets, stopped a runaway this forenoon, the horse beonging to a Japanese. The two men in the wagon were thrown out just as Monday.... the animal dashed past the officer. ruestay One of the fellows was quite badly in-jured about the knee but the other one escaped with only a few slight bruiges.

As the wagon turned the corner and Friday ... threw the men out, it tipped over and the body became tangled with the wheels, the speed of the horse was checked. It was at this time that the Monday ... officer made a running jump and caught the animal. As soon as all the excitement was over, the two Japanese set to work mending the wagon and later drove off as if nothing had hap-
